

# Report nuisance

Noise disturbance? An overflowing waste bin or a broken lamppost? Nuisance from people?

Please report this to the municipality of Leiden or to the police. By reporting a problem, they can respond faster and better, and you help with the maintenance of the city.

You have several options to contact them. These are listed on the right.

Did you know that addressing loitering youth is usually very effective? For tips on how to do this most effectively, you can download this book for free: [bit.ly/boekhangjongeren](https://bit.ly/boekhangjongeren) (only available in Dutch)
